### Product Description:

Performance - that's what the Uni-Fit™ range of commercial downlights stands for. Featuring ThermoTec™ technology, integrated driver and high quality LED chips to deliver serious lumen performance. The Uni-Fit™ range is the ideal cost effective solution for new or existing installations where traditional compact fluorescent downlights need upgrading to more efficient LED technology.

### Product Image:

### Product Features:

- Multiple sizes and wattages available to suit all new and retrofit installation lighting requirements
- ThermoTec™ technology utilises a combination of highly efficient LED light source, aluminium heat sinking and thermoplastic material for longer life and consistent performance
- Compact integrated driver allows for easy installation
- Life not affected by frequent switching e.g. when used with occupancy controls
- Pre-wired with 500mm 2-core cable
- 1.5kV surge protection
- 3 year warranty

### Product Specs:

Input Voltage	220~240V AC
Input Frequency	50/60Hz
Power Factor	0.9
Dimmable	No
Dimensions	230mm x 70mm (RD)
Number of LEDs	80

### Compliance & Approvals:

### SKU Table and Ordering

Cat. No.	Color	lm	Wattage	Lumens/Watt	Quantity
EN-DL30/64	6400K	2300lm	30W	76.67	
EN-DL30/30	3000K	2200lm	30W	73.33	
EN-DL30/40	4000K	2250lm	30W	75	

### Warranty:

This product has a warranty period of 3 Years from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, and removal of the Q.C. date label; installation in an improper working environment or installation not according to the current edition of the National Electric Code. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
