

Wiring Accessories

A new range of reliable contractor wiring accessories required for any installation.

Range Content

BG are proud to offer a comprehensive range of essential wiring accessories. We are able to provide high quality gland packs, earthing products and tape along with a range of cable handling products and connector strips.

These wiring accessories are ideally suited to complement the existing cable management, circuit protection and wiring device products, offering a complete 'one stop shop' solution. Please contact our UK based customer services team for more information.

Brass Armoured Cable Gland Kits

- High quality BW and CW gland kits, suitable for use with SWA cable
- BW glands for indoor applications
- CW glands for outdoor applications
- CXT glands suitable for use with SY and CY braided cable
- Pack contents: brass gland(s), locknut(s), shroud(s) and earth tag(s)

Earthing Accessories

- Wide range of Earthing products including Earth Rods, Clamps and Accessories
- Copperbonded Earth Rods offer high strength and corrosion resistance
- Conformity to ISO 90012008
- Earth Clamps are suitable for use with Terminal Size A-D (2.5mm² to 10mm²)
- Compliance with BS 951

Wiring Accessories

Cable Clips

- For fast installations of cables
- Made from impact resistant UV stabilised polypropylene
- Can withstand high impact together with extremes of heat, cold and acid
- Safety nail bends before breaking - hardened and zinc coated
- Temperature range -40°C to +80°C

Cat No.	Description	Pack Quantity	Trade Price Per Pack	Greenbrook	Termination Technology	Schneider
