## 25m + 3m Reverse Open Reel OMU2513FL3IP-PX

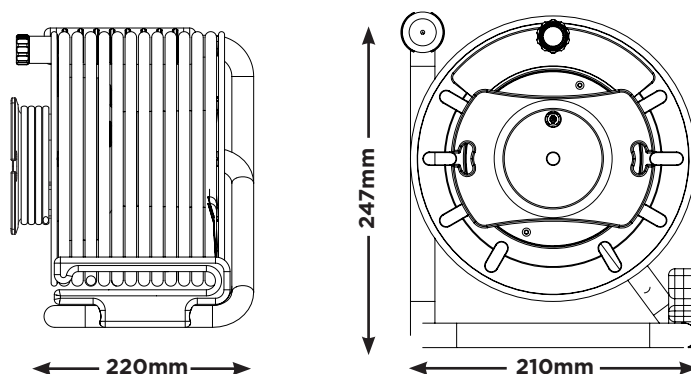

### Features

- » Robust case reel, with four shutter sockets
- » Safety thermal cut-out
- » Power on/off switch
- » Power LED indicator

### Description

This innovative design allows you to wall mount the extension reel near the wall power outlet and extend the power socket closer to the required area. The drum's construction provides reliable protection when in use, transported or stored. The compact design is perfect for the home, garden and light industrial use. Using highly visible green cable, this 'reverse' extension reel provides an IP54 rated weatherproof 13 amp socket outlet. The drum includes a LED indicator, and has a built-in safety thermal cut-out for protection against overloading when fully reeled. Optional wall bracket available.
