

## IP65 Plastic Shower and Garage Units Datasheet CU03/1, CU03/2, CU05/1, CU05/2, CU05/5

### Construction and Features

- Range of 3 and 5 module Garage & Shower Units
- Plastic enclosure
- Hinged transparent cover with catch and gasket
- Multiple knockouts around the unit sides
- Keyhole mounting, easy access for marking
- Pre-fitted earth & neutral bars
- Pre-installed neutral cable and busbar
- Metal DIN Rail - for mounting of circuit protection or modular components
- Fast release cover fixings
- Earth bonding points for added safety
- Accessory pack (plastic blanks, grommets and labels)

### Technical Data

- IP65 rated enclosure
- Manufactured from flame retardant plastic material
- Various size knockouts up to 35mm
- RCDs: 63A, 30mA EN61008 compliant
- MCBs: EN60898-1 compliant

#### Shower Units

CU03/1	3 way with 63A, 30mA RCD, 1x40A MC C Curve MCB
CU03/2	3 way with 63A, 30mA RCD, 1x50A MC C Curve MCB

#### Garage Units

CU05/1	5 way with 63A, 30mA RCD, 1x6A & 1x20A MD B Curve MCB
CU05/2	5 way with 63A, 30mA RCD, 1x6A & 1x16A MD B Curve MCB
CU05/3	5 way with 63A, 30mA RCD, 1x6A & 1x32A MD B Curve MCB

### Overall & Installation Dimensions

	Height	Width	Depth
CU03	184mm	100mm	110mm
CU05	184mm	136mm	110mm
