

## Populated Mini Metal Enclosures Datasheet

### CU/M04-1, CU/M04-1/2, CU/M04-1/3, CU/M04-80, CU/M04-100

#### Construction and Features

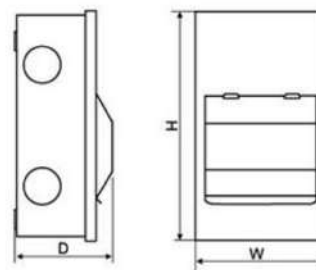

- 18th Edition Compliant Populated Mini Metal Enclosures
- 4 Module IP44 Metal Enclosure
- All steel construction
- Complete with drop down lid
- Multiple knockouts all around the unit, including the rear
- Pre-fitted earth and neutral terminal bars
- Labels included
- CU/M04-1                      63A, 30mA RCD
- CU/M04-1/2                  63A, 30mA RCD, 6A & 16A MD MCBs
- CU/M04-1/3                  63A, 30mA RCD, 40A MD MCB
- CU/M04-80                    2 Pole MB 80A B Curve MCB
- CU/M04-100                  2 Pole MB 100A B Curve MCB

#### Technical Data

- DIN Rail - for mounting of circuit protection or modular components
- Pre-fitted earth and neutral terminal bars
- Pre-installed neutral cable and busbar (-1, -1/2, -1/3)
- Rated current: 100A
- BS/EN61439-3 and BS7671 18th Edition compliant
- Knockouts 25mm diameter x 2, 32mm diameter x 6
- Rear entry knockout x 1 - 60mm x 40mm
- Earth bonding points for added safety

#### Overall & Installation Dimensions

- D 110mm
- W 123mm
- H 237mm

Standard: IEC61009-1        CB        **RoHS**
