

## Modular Contactor Datasheet MODC2/20

### Construction and Features

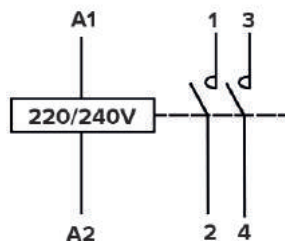

- Compact design
- Spacers supplied
- Contact indication window
- Din rail mountable
- Ideal for switching, appliance, lighting and handling loads

### Technical Data

- Rated current: AC1/AC7a 20A, AC7b 7A
- Rated switching voltage: 400V
- Coil voltage: 220/240 50/60Hz
- Contact configuration: 2no.
- kW rating: AC-7a 4kW  
AC7b 1.2kW
- Max. Cable size: 4mm<sup>2</sup>
