

Modular Contactor Datasheet MODC4/40, MODC4/63 Series

Construction and Features

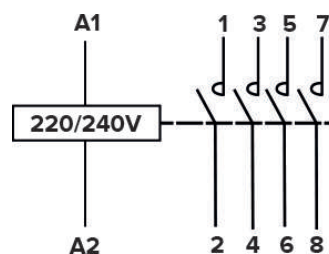

- Compact design
- Contact indication window
- Din rail mountable
- Ideal for switching, appliance, lighting and handling loads

Technical Data

- Rated current: MODC4/40 AC1/AC7a 40A, AC7b 15A, MODC4/63 AC1/AC7a 63A 25A
- Coil voltage: 220/240V AC 60/50Hz
- Contact configuration: 4no.
- Installation on symmetrical Din rail 35mm, panel mounting
- Max. Cable size: 16mm²
- Rated switching voltage: U: 500V 50 Hz, U_c 230v 50Hz
