

⚠ Important Safety Notice ⚠

It is the responsibility of the person installing the electrical equipment to ensure that the installation meets the requirements of the IET wiring regulations and is therefore 'fit for purpose'. Factors such as correct selection of components, cable sizing, protective devices and Earth bonding are all critical and should be checked prior to full testing and power-up. Any other regulations applicable to the equipment being installed such as the Machinery Directive and current health and safety legislation must also be adhered to.

All connections (including factory made) must be checked for the correct tightness prior to commissioning of the electrical installation.

Terminals, including factory fitted, should be checked periodically to ensure correct tightness.

DO NOT USE POWER TOOLS ON THESE PRODUCTS

- ✓ IP65 Rating
- ✓ Complete with pre-fitted 40A 30mA 2P RCD
- ✓ Self-extinguishing – manufactured in fire & shock resistant material.
- ✓ Unique aluminium key – once removed the control lever can no longer be activated.
- ✓ Includes spirit level to make installation easier.
- ✓ Four cable inlets M25 / M32 top, bottom and side entry.
- ✓ Weight: 0.5Kg
