

Square White Bezel for 150mm Performance Flex Downlight

Partcode: ILDL150E006 / Page: 1

Performance Flex downlights utilise a recessed COB LED for reduced glare and uniform light. The expertly designed refractor adds a designer sparkle and looks great when the downlight is on or off.

A wide selection of Twist and Lock bezels (sold separately) allow consumers and lighting designers to customise the downlight for their ideal look. A simple, secure and accurate installation system allows the Performance Flex downlight to be fitted quickly and easily.
