

Mini Globe 6.3W (40W) 2700K 470lm B22 Dimmable Lamp

Partcode: ILGOLFB22DC045 / Page: 1

As LED products produced using new technologies are used with old dimmer technology, achieving effective and smooth dimming can be challenging. For this dimmable lamp we have tested, and recommend, the dimmer detailed in the specification below.

This 6.3W retro-fit Integral LED Mini Globe (large bayonet base) delivers a warm light and brightness, similar to a 40W filament bulb. It features high output, multi Everlight LEDs and an anti-glare refractor. Ideal for living rooms, dining rooms and bedrooms, in classic or modern wall or floor/table lamp fittings.
