# SPI Remote Control and Receiver for RGB Pixel LED Strip (up to 1020 pixels)

Partcode: ILRC023 / Page: 1

The LTECH RGB Pixel Remote Control and Receiver is designed to work with the Integral LED Digital Pixel RGB Strip (ILSTRGBA073E and ILSTRGBB074E). This remote control allows you to cycle and set the 16 different lighting effects the Digital Pixel Strip is capable of and also allows you to adjust the speed, brightness and direction of these effects. When you have found your perfect setting, this remote control includes two Scene Keys, so you can save and replay up to two customised effects.

#### **Product Details**

Partcode: ILRC023 Check Code: 886879

Range Name: Colour Strip Controllers Product Type: Controllers for strips

Warranty: 5 Years CE / RoHS: Yes

#### **Physical Data**

Material: PCB, Plastic Shell

# **Product Specification Sheet**

Partcode: ILRC023 / Page: 2

## **Physical Data**

Weight (Unpackaged Single Unit): 110g

## **Electrical Data**

Voltage Range: 5-24V Driver included: No Electric Current: DC Dimming: Dimmable LVD Certified: Yes EN: EN-60950-1

# **Product Specification Sheet**

Partcode: ILRC023 / Page: 3

## **Environmental**

Lowest Operating Temperature: -30 degrees

Maximum Operating Temperature: 55 degrees

## **Packaging**

EAN Barcode (unit of 1): 5055788250951

Packaged Weight (Unit of 1): 135g

Length (unit of 1): 200mm Width (unit of 1): 130mm Depth (unit of 1): 20mm

Outer packaging info available on website
