The Monsoon M-Series Axial fan range has been designed with a modern and aesthetic look suitable for bathrooms, showers, kitchens and other utility spaces and can be wall, ceiling or window mounted. The casing and the impeller are made of high-quality durable ABS plastic and are UV resistant. The intellectual quiet impeller design makes the fan highly efficient and ensures a long product life. The M-Series has a reliable and low-watt electric motor which requires no maintenance and with IPX protection rating exceeds the requirements for UK building regulations.
