Electrophoretically coated plates
and back boxes provide a durable and
long lasting heavy duty finish to this
attractive range of products.

All switch products are of modular construction allowing the installer total freedom in designing customised switching solutions according to on-site needs.

Unfurnished plates and mounting boxes are available for use in conjunction with our extensive range of **MINIGRID™** and **NEW MEDIA™** modules.

All socket outlets and spurs are tested and approved to **BS1363**.
