

1-circuit 240V track, surface-mounted, black, 3m

Item No. 1002151

Aluminium carrier track of the 1-circuit high-voltage surface-mounted track system. Installation can take place through the existing holes in the profile directly onto the wall or the ceiling. The surface-mounted version of this system is available in several colour versions. Alternatively, there is a recessed version available too.

Specification

Material	ALUMINIUM
Voltage	230V ~50Hz
Way of mounting	Surface Mounted
Length (cm)	300
Width (cm)	3.5
Height (cm)	1.8
Weight Net	0.0000
Weight Gross	0
